Training and Workforce Ranning

Describe the arrangements in place during the last financial year for identifying, planning and meeting the training needs of staff employed by the service provider	Bira Care has a robust training program in place to ensure that st aff members have the necessary skills and knowledge to perform their duties effectively. This program involves identifying individual training needs, developing individualised training plans, regular a ssessments, and feedback from service users and their relatives. Mandatory training requirements include health and safety, infecti on control, safeguarding, equality and diversity, manual handling, dementia, and positive behaviour.
Describe the arrangements in place during the last financial year for the recruitment and retention of staff employed by the service provider	Recruiting and retaining staff is crucial for Bira Care Homes to pro vide high-quality services. Recruitment involved advertising job va cancies through various channels, developing job descriptions, a clear application process, and conducting interviews. Retention in volved competitive pay and benefits, career progression, staff rec ognition, work-life balance, and staff engagement. The goal is to attract and retain committed staff members who provide excellent service and care.

Statement of Compliance

Г

The Responsible Individual must prepare the statement of compliance.

CIW have published guidance on completing the quality of care review which provides advice on what could be contained within the statement of compliance.

Set out your statement of compliance in respect to the four well-being areas below.

The extent to which people feel their voices are heard, they have choice about their care and support, and opportunities are made available to them.	In the last financial year, Bira Care Homes have assessed the xtent to which people receiving care and support and feel their voices are heard, they have choice about their care and supp rt, and opportunities are made available to them. This assessment have included the following; 1. Person-Centered care: Bira Care Homes assessed the care and support provided is person-Centered, meaning it is tailore to meet the individual needs and preferences of each person. This includes ensuring that people are involved in decisions a out their care and support and that their views and opinions at heard and respected. 2. Choice and control: Bira Care Homes assessed people receiving care and support have a choice about the care and support they receive. This includes ensuring that people have access to a range of options and are supported to make informed decisions about their care and support. 3. Participation in decision-making: Bira Care Homes assessed people receiving care and support are involved in decision-making processes that affect their care and support. This includes ensuring that people are provided with information about their are and support and are supported to express their views and preferences. 4. Access to information and advocacy: Bira Care Homes assessed sed people receiving care and support have access to information and at they have access to independent advocacy services if required.
	5. Support for independence and community participation: Bira Care Homes assessed whether people receiving care and sup ort are supported to maintain their independence and particips e in their communities. This includes ensuring that people are upported to pursue their interests and hobbies and to engage n social activities. Overall, Bira Care Homes assessed the extent to which people receiving care and support feel their voices are heard, they ha e choice about their care and support, and opportunities are r ade available to them. This assessment has been used to ens re that people receive high-quality care and support that meet their individual needs and preferences.
The extent to which people are happy and supported to maintain their ongoing health, development and overall wellbeing. For children, this will also include intellectual, social and behavioural development.	We ensure that people receiving care and support are happy, healthy, and supported to maintain their ongoing health, deve pment, and overall wellbeing. In the last financial year, Bira Ca e Homes assessed the extent to which people receiving care a d support are happy and supported to maintain their ongoing ealth, development, and overall wellbeing. This assessment al o included the following. 1. Quality of care: Bira Care Homes have assessed the quality of care provided to people receiving care and support to ensu e that it is person-centered, responsive, and of a high standard
	 Health and wellbeing: Bira Care Homes have assessed the xtent to which people receiving care and support are supported to maintain their ongoing health and wellbeing. This includes a suring that people have access to healthcare services, are supported to take their medication, and have their nutritional need met. Social and emotional wellbeing: Bira Care Homes have assessed to the service of the s
	 sed the extent to which people receiving care and support are upported to maintain their social and emotional wellbeing. This neludes ensuring that people have access to social activities a d are supported to maintain relationships with family and friens. 4. Development: Bira Care Homes have assessed the extent t which people receiving care and support are supported to develop their skills, knowledge, and abilities. This includes ensuring
	 that people have access to education and training opportunities. 5. Safety: Bira Care Homes have assessed the extent to which people receiving care and support are safe and protected from harm. This includes ensuring that appropriate risk assessmen are in place and that staff members are trained to identify and espond to safeguarding concerns.
	Overall, Bira Care Homes have assessed the extent to which p ople receiving care and support are happy and supported to r aintain their ongoing health, development, and overall wellbeir g. This assessment has been used to ensure that people rece ve high-quality care and support that meets their individual ne ds and preferences.

The extent to which people feel safe and protected from abuse and neglect.	We ensure that people living in care homes are safe and prote cted from abuse and neglect. In the last financial year, Bira Car e Homes have assessed the extent to which people living in car e homes feel safe and protected from abuse and neglect. This assessment has included the following. 1. Staff recruitment and training: Bira Care Homes have the rob ust recruitment and training processes in place to ensure that s taff members are appropriately qualified, trained, and vetted. 2.
