We pride ourselves on being a secure, consistent but developing service, working together in partnership with our clients in or der to address and meet their individual needs and maintain a high standard of care and quality of life. We encourage clients to be as independent as possible and to develop daily living skill s. Each client has their own individual support plan which is devel

The care plan file will include positive behaviou r management guidelines, a personalised behaviour risk asses sment, a personal Missing Persons Procedure, communication guidelines.
	Our clients are encouraged to progress individual skills, for exa mple for one individual the goal may be to make their own cere al in the morning but for another their goal may be to assist with cooking a meal and cleaning up afterwards.

This give our clients a sens e of purpose, increases confidence and provides mental stimul ation on various levels.
	Each individual can choose which activiites they wish to particip ate in such horseriding, going swimming, trips to the beach, bo wing, cinema trips, pub visits and attending local events such a s football matches, fairs and concerts.
